

Should anyone be in need of assistance due to issues with handicap accessibility to those offices remaining in the Cherokee County Courthouse during construction and renovations, please contact the office of the Cherokee County Clerk of Court at 828-837-8500. **Please push the door bell that is located under the door handle at the handicap entrance of the courthouse. Due to courthouse security measures, you will need to push the door bell for assistance in entering the building.**

All County offices have been temporarily moved out of the courthouse, and relocated to the Cherokee County Annex building, located at 40 Peachtree Street. The Clerk of Court, District Attorney, and Congressman's office are the only offices remaining in the courthouse. If you need assistance in locating one of our county offices, please contact Maria Hass, Assistant County Manager at 828-837-5527, or e-mail maria.hass@cherokeecounty-nc.gov.
